"Your Garments Are More Beautiful This Season Than I Ever Saw Before"

This is what a customer said yesterday and that customer happens to be one of the best dressed women in El Paso. Our advanced showing of Fall garments is creating enthusiasm far beyond the ordinary. We intended this should be the case. If you are pleased with our initial showing, our Fall line will delight you to the utmost. Newly arrived Fall models in Tailored Suits, Dresses, Skirts and Waists await your approval next week. Come and see a display—the best shown locally. Also take advantage of

Two Monday Only Specials

For Monday only we make two most unusual specials in Dresses. We do this more as an advertisement than with any idea of profit. These Dresses offered come in both silk and cloth. Most of the models are the modified Hobble, which is one of the most favored styles of the season. All the new colors of the season are included, and every style innovation of the higher priced garments is included in the two following specials:

Accessories

In dress accessories our present showing is most comprehensive. A novel item is the new Mme. Poire belt. Mme. Poire has the smallest waist of any woman in the world. The belt bearing her name has a tendency to reduce the waist line. These belts come in patent leather, in black and red. The new hand bags are marvels of completeness as regards fittings. New neckwear, including the Persian designs, are shown in variety. Gloves, shoes and knit underwear are also shown in wide variety.

Notice to Out of Town People

To those who contemplate taking advantage of the coming trade excursion we extend a cordial invitation to visit us while in El Paso. Our Rest Room is at your service and any courtesy we can extend we will gladly render. If you can't come to El Paso, let us hear from you by mail. Prompt attention and satisfaction guaranteed.

The window displays will be most interesting from now on. Just as soon as new styles arrive they will be displayed in the windows. Again we say, watch them.

EXTRA

For Monday we select a splendid special in silk kimonos. These are full length and full sweep, made of Japanese silk in a wide variety of patterns. These are regular \$5.00 kimonos, on sale Monday at

\$3.95

Corset Section

Again this Fall you will find here all the new corset models in Redfern, Lily of France, Modart, Bon Ton and Royal Worcester Corsets.

DAUGHTER OF A. KRAKAUER IS WEDDED

Mrs. Addie K. Frenkel Is Married to Former Family Chauffeur.

A marriage license was issued Saturday morning to Hugh T. Dutter and Mrs. Addie K. Frenkel. They were married by Justice E. B. McClintock at 12:30 and left immediately after the ceremony in an automobile. The groom is said to have been formerly employed by A. Krakauer as an automobile chauffeur and the bride is the daughter of Mr. and Mrs. Krakauer.

The wedding created a mild sensation when it was learned on the streets. Dutter was employed as chauffeur for the Krakauer family for several months. About four months ago, it is said, he lost his position and went to Denver and then to Albuquerque. Later he returned to El Paso.

Saturday morning Dutter came to El Paso on the Santa Fe train. He is reported to have called on A. Krakauer at the store to ask him for his consent to the marriage of his daughter and himself. This was refused, it is said, whereupon Dutter and Mrs. Frenkel left in an automobile and, after obtaining a marriage license, were married by Justice E. B. McClintock at 12:30 p. m.

At the Krakauer residence, Robert Krakauer refused to make a statement. "I have nothing to say," he said, "the telephone. I know nothing about it."

Dutter is said to have been a native of Angola, Ind., but came west from Greenville, Ohio. He was employed as a driver in Albuquerque before coming to El Paso.
